School Fees 2021-2022:

As per the High Court of Chennai's order, we have collected only 75% of fees in many instalments as per the convenience of parents

Blended Learning Measures

However, there were challenges to overcome. Some students without reliable internet access and technology struggled to participate in digital learning. The effectiveness of online learning varied amongst age groups, because kids got distracted easily. In order to get full benefits of online learning, concerted effort was taken by the teachers. There were integration of games that demonstrated higher engagement and increased motivation and made children truly fall in love with learning. All the links of youtube for the lessons were clearly verified before sending through Whatsapp to children. A survey was taken by the teachers in order to know about the percentage of children attending and not attending the online classes in regular and measures were taken to assess the learning gap. Some of those measures were as follows,

- In COVID-19 lockdown situation our teachers offered their relentless work to provide online study material and telephonic doubt clearing class can't be forgotten
- Teachers spoke with parents and students to know the reason for not being a part of

online class.

- Teachers sent lesson based videos, PDF files of C.W and activities and updated the child.
- Teachers sent an example for each activity to the students.

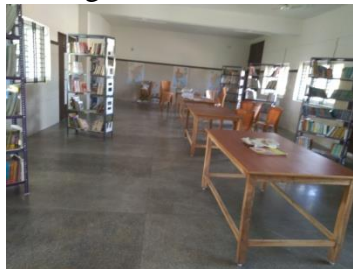

Remedial Measures

After finding the average percentage of children lagging behind, remedial measures were taken by our school as follows,

- As many parents were working and only one android phone is at home, flexibility was given in the submission of assignments and exam timings.
- School has understood the situation of the parents(financial crisis) and it had never denied any hindrance in education even when the child had not paid the pending fee of last year.
- Taking into consideration the financial difficulties of parents school Management did not force any parent to buy mobile phone/Lap top/computer for online class
- The teachers were given technical training for the assessment of students learning.
